## **LEGEND**

Section I must be completed with all the required data by the beneficiary or the competent authority.

The beneficiary must sign in the area provided under section I.

Section II must be completed. You can go to any STIB BOOTIK where they will deliver you, if necessary, a MOBIB card once you have paid the manufacturing fees. In this case, a recent identity photo will be required.

STIB will remotely load the appropriate contract within 5 working days. Next time the MOBIB card is validated on a validator in a metro station or at a GO vending machine, the card holder will automatically load the new contract on the MOBIB card without any other intervention being necessary.
