The price of these transport tickets and of the medium of these transport tickets, as well as the other costs associated with the use of these tickets and mediums, is set by the Decree of the Government of the Brussels-Capital Region on passenger transport fares on the urban and regional transport network of the Brussels-Capital Region, available [here](#).

The terms and conditions of these transport tickets are described below.

## 1. Service tickets

### Brupass 1 or 10 Journeys

- Number of journeys: 1 or 10 journeys depending on the ticket purchased, each journey lasting a maximum of two hours from the first validation, with validation of the last connection taking place up to the 59th minute from the first validation.
- Geographical area: the [Brupass Zone](#), i.e. (i) the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels) with the possibility to change lines, (ii) the TEC and De Lijn urban networks in the Brussels-Capital Region and (iii) the SNCB rail network in the Brussels-Capital Region, in 2nd class.
- Medium: MOBIB or MOBIB Basic card.
- Users: All users.
- Validity : 18 months from the date of purchase.

### Brupass XL 1 or 10 Journeys

- Number of journeys: 1 or 10 journeys depending on the ticket purchased, each journey lasting a maximum of two hours from the first validation, with validation of the last connection taking place up to the 59th minute from the first validation.
- Geographical area: the [Brupass XL zone](#), i.e. (i) the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels) with the possibility to change lines, (ii) the TEC and De Lijn per-urban networks and (iii) the SNCB peri-urban rail network, in 2nd class.
- Medium: MOBIB or MOBIB Basic card.
- Users: All users.
- Validity : 18 months from the date of purchase.

### STIB 1 Journey

- Number of journeys: 1 journey, each journey lasting a maximum of two hours from the first validation, with validation of the last connection taking place up to the 59th minute from the first validation.
- Geographical area: the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels).

- Medium: paper ticket or payment by EMV bank card, i.e. bank card with NFC contactless technology or bank card issued on an NFC smartphone (or other connected device).
- Users: All users.
- Validity : 18 months from the date of purchase of the paper ticket.
- In the case of multiple journeys on the same day paid for by the same EMV bank card, a maximum daily fare applies (see Maximum daily fare when paying by EMV).

### STIB 100 Journeys valid 90 days

- Number of journeys: 100 journeys, which can be used during 90 days from the first validation. Each journey lasting a maximum of two hours from the first validation with validation of the last connection taking place up to the 59th minute from the first validation.
- Geographical area: the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels).
- Medium: MOBIB card.
- Users: All users.
- Validity : 18 months from the date of purchase.

### STIB Maximum daily fare when paying by EMV

- Number of journeys: In the event of multiple journeys on the same day (which extends from the opening time of the STIB network on day D to the closing time of the network on day D+1) paid for by the same EMV bank card, this maximum daily fare is applied.
- Geographical area: the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels).
- Medium: payment by EMV bank card, i.e. bank card with NFC contactless technology or bank card issued on an NFC smartphone (or other connected device).
- Users: All users.

### STIB 1 day

- Number of journeys: unlimited number of journeys during the same day (which extends from the opening time of the STIB network until the end of service), from the first validation of the first journey.
- Geographical area: the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels) with the possibility to change lines.
- Medium: paper ticket.
- Users: All users.
- Validity : 18 months from the date of purchase.

### Brupass 1 day

- Number of journeys: unlimited number of journeys during the same day (which extends from the opening time of the STIB network until the end of service), from the first validation of the first journey.
- Geographical area: the [Brupass Zone](#), i.e. (i) the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels) with the possibility to

change lines, (ii) the TEC and De Lijn urban networks in the Brussels-Capital Region and (iii) the SNCB rail network in the Brussels-Capital Region, in 2nd class.

- Medium: MOBIB or MOBIB Basic card.
- Users: All users.
- Validity: 18 months from the date of purchase.

## Go2City 1 or 10 Journeys

- Number of journeys: 1 or 10 journeys depending on the ticket purchased, each journey lasting a maximum of two hours from the first validation, with validation of the last connection taking place up to the 59th minute from the first validation.
  - Geographical area: any journey departing from Zaventem Airport (Brussels Airport) to Brussels.
  - Medium: MOBIB or MOBIB Basic card, paper ticket payment by EMV bank card, i.e. bank card with NFC contactless technology or bank card issued on an NFC smartphone (or other connected device) (only for 1 Go2City trip for paper tickets and payment by EMV bank card).
  - Users: All users.
  - Validity : 18 months from the date of purchase.
- **STIB-MIVB group aged -18 1 day**Number of journeys: an unlimited number of journeys during the same day (which extends from the opening time of the STIB network until the end of service)
  - Geographical area: the entire STIB network (with the exception of any journey departing from Zaventem Airport (Brussels Airport) to Brussels).
  - Medium: MOBIB Basic card.
  - Users: pupils and students of preschools, primary and secondary schools under 18 years old travelling with one or two adult supervisors from the school in question or young people under 18 years old travelling for educational or leisure activities. The group card is valid for 30 people maximum, including 2 adult supervisors maximum.
  - Validity : 18 months from the date of purchase
